

MARY, THE WISDOM OF CREATIVE RECEPTIVITY
A Soul Retreat
The East Coast Gathering

Bishop Booth Conference Center
Burlington, Vermont

September 30 – October 3, 2010

A continuing of the Sophia gatherings

Enter into the WORLD-CREATIVE RECEPTIVITY of Holy Wisdom, engaging the mysteries of Mary. Our gathering focuses on practices for nourishing soul, developing the creative capacity of ‘reverse concentration’, finding the spiritual speaking of utter stillness, and the effectiveness of living within a new ground of life, the matrix of Holy Wisdom. The gestural movements of Mary are visible practices of embodying soul. We develop these gestures for our time.

Our concern is the Mary of this moment, rather than two thousand years ago, or an externalized figure for veneration, though we are not opposed to that approach. Mary is as close as our body – she is the spiritual human body. How to come into Mary-awareness and what this means for our individual future and the cultural future are central questions of this retreat.

THE INTENTION OF THESE SOUL RETREATS IS TO ASSIST THE WAY THROUGH TRANSITION INTO THE CULTURE OF WISDOM – THE WAY FROM BREAKDOWN TO BREAKTHROUGH
